MOSES ROLLINS,
CALVIN WHITTEN,
CHARLES HORN,
} *Selectmen of Somersworth.*

We, the undersigned, Auditors, have carefully examined the Journal (except Town Liquor Agency, 1858–9,) and Ledger, and have compared the Trial Balance with our footings of the Ledger and find all payments duly vouched and correctly entered, and the Trial Balance agreeing exactly with our Ledger footings.

We fully endorse the opinion expressed by the Auditors for the year 1855–6, to wit:—"In our opinion the Selectmen should keep a Day-Book, on which all receipts and expenditures should be regularly entered at the time the receipt or expenditure occurs. Dispensing with all entries whatever upon the Books of the Town until near the close of the year, may be as prejudicial to a town, as it certainly would be to an individual."

M. C. BURLEIGH,
JOHN C. HILL, } *Auditors.*

To the Selectmen of Somersworth:

Gentlemen:—Having been appointed by His Excellency the Governor, Police Justice of this town, I now, in compliance with the requirements of the Statute, submit to you the following

REPORT:

It is now nine months since the Police Court was organized, and the number of cases brought before it have been comparatively few. The fact that the Court exists, may have a tendency to hold in check some, who otherwise would become offenders. The number of cases en-

tered on the Criminal Docket is twenty-five, which would properly be classed as follows :—

Found drunk in the streets	4
Being a common drunkard	1
Making disturbance in the street	1
Rude, indecent and disorderly conduct	4
Assault and battery	9
Making threats of personal injury	1
Breaking and entering and stealing	3
Fast driving	1
Wanton and lascivious conduct	1

The number of cases entered on the Civil Docket is sixteen, making in all a total of forty-one cases, civil and criminal.

Of the Criminal cases, twenty-one of the persons arrested were convicted and four discharged. These were beyond the jurisdiction of this Court, and were bound over to the County Court. One of the persons convicted has been sent to the House of Reformation, at Manchester, and four have been sent to the House of Correction, in Somersworth, at different times, where they have done the town some service in labor on the Town Farm. Many more would have been sent to this Institution, had it not been found that the facilities for *running away* were far better than were advisable.

With proper arrangements, this Institution would be of great benefit to the town. Many persons sentenced to pay a fine, and in default of such payment, confined in jail perhaps for months, at the town's expense, might be sent to this Institution and by their labor on the Farm, not only pay their own expenses but be a source of some profit to the town.

The amount of money received by me for fines, costs, &c., in Criminal matters and for entries on the Civil Dock-

ct, is $34 28, which has been paid over to the Treasurer.

I am, Gentlemen, your obedient servant,

GEORGE W. BALLOCH,

Justice Police Court of Somersworth.

STATE OF NEW HAMPSHIRE, Strafford, ss. Feb. 24, 1859. Personally appeared George W. Balloch, Police Justice, and made oath that the above account by him rendered is just and true.

Before me,

NATHANIEL WELLS,

Justice of the Peace.

STATE OF NEW HAMPSHIRE.

YOU are hereby notified to meet at the Town House, in said town, on Monday, the 14th day of March next, at nine o'clock in the forenoon, to act upon the following subjects, to wit :—

ARTICLE 1st. To choose a Moderator to preside at said meeting.

5th. To see if the town will vote to raise a sum of money in addition to the sum required by law to be raised for the support of primary schools.

6th. To determine how the school money shall be divided among the several school districts.

7th. To see how the town will divide the literary fund for the year ensuing.

8th. To see if the town will vote to raise the sum allowed by law for the support of a Teachers' Institute for the County of Strafford, for the year ensuing.

10th. To see if the town will vote to accept Summer st., so called, in the village of Great Falls, leading from Main street to Union street by the dwelling houses of Hiram Hayes, Morris Slaughtery and others, and cause the same to be laid out as the law requires—by application of Hiram Hayes and others.

11th. To see if the town will vote to remove the several flag stone crossings, which lay across the streets in Great Falls village—by application of Moses V. Peavey and others.

12th. To see if the town will vote to instruct the Selectmen to lay out a street in continuation of South street to Portland street, and make a return of the same as the law directs, agreeable to petition.

13th. To see if the town will instruct the Selectmen to divide Highway District No. 2, in such manner as to make a new District from the Baker house, so called, to Dover line on the old main road from Rochester to Dover—by application of Benja. Hanson and others.

14th. To see if the town will instruct the Selectmen to lay out a Highway leading from the Cemetery road, so called, to the old road leading from Rochester to Dover—by application of Eli Cook and others.

15th. To see what action the town will take in relation to the Liquor Agency.

16th. To see what action the town will take in relation to the obstruction in the main drain leading from Elm street to the river.

17th. To see if the town will instruct the Selectmen to let the Town Hall for the purpose of dancing, theatrical exhibitions, concerts, or for any purposes or entertainments, not subjecting said hall to any extraordinary damage or danger—by application of Sam'l Grant and others.

18th. To see if the town will vote to accept Water street, so called, leading from Main street to Union street by the dwelling houses of John Porter, Ira Young, and others, and cause the same to be laid out as the law directs—by application of John Porter and others.

Given under our hands and seal this 26th day of February, A. D. 1859.
